

MINNETONKA ICE ARENA

Policy Regarding Developmental Practice Ice

All skaters using figure skating practice ice provided by the Minnetonka Ice Arena must have a season pass, purchase a 10 session punch card or pay the \$12 fee before getting on the ice.

Season Pass	\$1,080.00
10 Session Pass	\$120.00

Available Ice Time

Over 1000 hours of practice ice times are available from August 29th, 2022 to June 9th, 2023.
"Developmental Ice" hours are offered during the following days and times:

Monday through Friday 6:00 - 9:30 am
Monday – Friday, early afternoons, typically beginning at 1:15 pm.

Hours vary by season. Please consult the monthly schedule during holiday breaks and after the annual ice revue.

Schedules are available at the arena office and are also posted at www.minnetonkamn.gov under the ice arena, click on developmental figure skating and then click on monthly calendar.

Developmental Pass Descriptions

SEASON PASS

Designed for serious skaters or the skater who will skate a minimum of three times per week, the season pass allows the skater to skate all available freestyle ice times. Additional family members would receive an additional 10% off on season passes. A minimum 50% payment of \$540.00 is due at the time of purchase. Second payment of \$540.00 will be due on February 1st, 2023.

10 SESSION PASS

Designed for the skater who occasionally uses practice ice or who skates on arena ice one or two sessions per week. The 10 session pass is also practical for the skater looking into private lessons for the first time. Skaters will present their cards daily to be marked off by the arena office. Passes are \$120.00 and you must pay for 10 session passes in full at the time of purchase.

Summer Ice contracts must be paid in-full before skaters will be allowed to skate on developmental ice.

Passes may be purchased during office hours; Monday – Friday, 7:00 am – 4:00 pm.

See reverse side for cost scenario breakdown

MINNETONKA ICE ARENA

Arena Ice **Season Pass** at \$1,080.00 for 40 total weeks of available ice time.
